\$1.46M
PEAK SINGLE-MONTH REVENUE (NOV 2011)

STRATEGIC CEO INSIGHTS

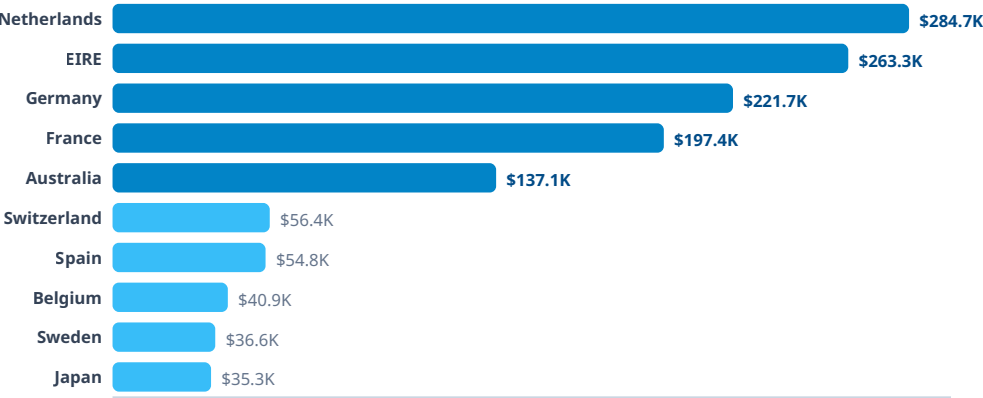

- **Q4 Surge:** Revenue accelerated dramatically starting in September, reaching an all-time peak in November (\$1.46M) due to holiday stocking.
- **Seasonality Planning:** Supply chain capacity and inventory planning must scale up by 150% in Q3 to support peak Q4 demand.
- **December Cut-off:** December reflects lower revenue (\$433K) purely due to partial data cutoff mid-month.

TATA Data Visualisation: Expansion Strategy

Page 2 — Top 10 International Revenue Generating Markets (Excl. UK)

INTERNATIONAL REVENUE RANKING (EXCL. UK)

TOP 5 MARKETS BREAKDOWN

Country	Revenue	Quantity
Netherlands	\$284,661	200,128
EIRE	\$263,276	142,637
Germany	\$221,698	117,448
France	\$197,403	110,480
Australia	\$137,077	83,653

MARKET EXPANSION STRATEGY

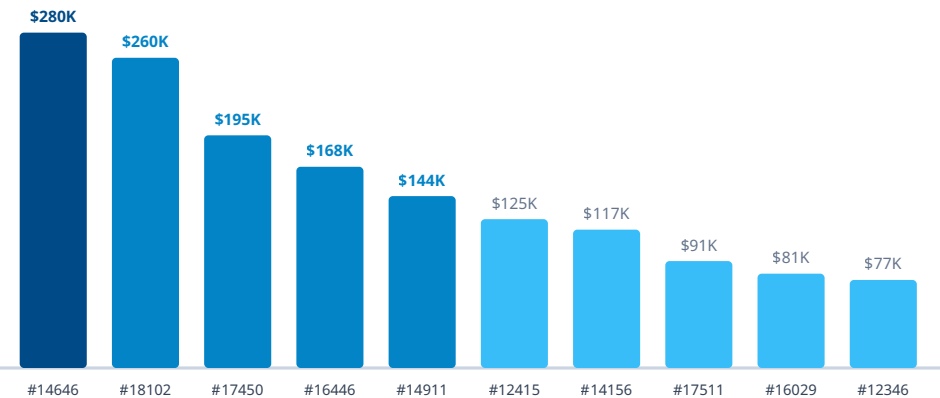

- **Primary Expansion Tier:** Netherlands, EIRE, Germany, and France dominate total non-UK revenue, representing over ****65%**** of all international sales.
- **Operational Hub:** Establishing a central European fulfillment center in the Netherlands or Germany will significantly cut cross-border shipping costs and transit times.

CMO RETENTION STRATEGY

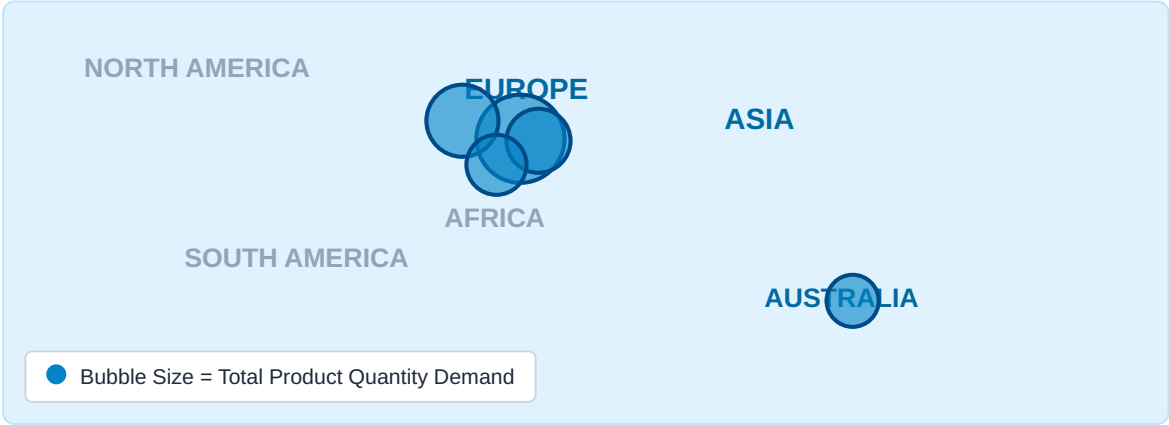

- VIP Account Management:** The top 10 individual accounts generate over ****\$1.5M**** in combined revenue. Dedicated key account managers should be assigned to protect these relationships.
- Customer Retention & Satisfaction:** Creating a customized loyalty program and offering volume discounts will ensure top buyers remain satisfied and highly engaged.

TATA Data Visualisation: Global Demand Mapping

Page 4 — Worldwide Product Demand Distribution for Operations & Supply Chain

GLOBAL PRODUCT DEMAND MAP (EXCL. UK)

TOP REGIONAL DEMAND

Region	Quantity Sold
Netherlands	200,128 units
EIRE	142,637 units
Germany	117,448 units
France	110,480 units
Australia	83,653 units

SUPPLY CHAIN RECOMMENDATIONS

- **Single-View Clarity:** The visual instantly highlights European cluster density without requiring scrolling or hovering.
- **Expansion Priority:** Operations should prioritize logistics contracts in Netherlands and Germany to meet over ****500,000 units**** of annual regional product demand.
